

An aerial photograph of the New York City skyline at sunset. The sky is a mix of deep purple, magenta, and orange, with wispy clouds. The city's skyscrapers are densely packed, with many windows glowing with warm yellow and orange light. The Empire State Building is prominent in the center-left, and the Freedom Tower is visible on the right. The text "BOOZY BRUNCH IN THE CITY" is overlaid in a large, white, serif font. There are two bright starburst light effects: one on the left side of the text and another on the right side, near the bottom of the text.
